

Make a Difference

Donate Today to the National Skin Education Foundation

The NSEF is seeking to place **sunscreen dispensers** in key public locations throughout Florida such as marinas, parks, pools, golf courses. Donating to the National Skin Education Foundation helps fund sunscreen dispensers and allows the distribution of sun safety **education materials** to elementary school educators (teachers, camp counselors, etc) who are interested and willing to teach their students about sun safe outdoor behavior including how to protect their skin from over exposure to the sun.

Donate \$1,000 and your name/practice name will be displayed on the dispenser, and you can suggest desired locations nearby your practice. Other donations will be use to place dispensers advertising the NSEF and for providing educational materials to schools.

The National Skin Education Foundation is recognized as a tax-exempt public charitable organization under section 501(c)(3) of the Internal Revenue Code. *All donations to the Foundation are deductible for income tax purposes.*

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Email: _____ Telephone: _____

My contribution is: \$1000 \$500 \$250 \$100 Other _____

I am willing to donate some time to help promote sun safety.

I am interesting in placing a sunscreen dispenser - \$1000.00

Name to be displayed on dispenser –ie Practice Name, Dedicated to loved one

Potential locations for dispenser 1) _____

2) _____ 3) _____

Note: A particular location cannot be guaranteed. NSEF will navigate the logistics and requirements of the municipality or private location of your choice.
